This is my last Presidents Report. I have enjoyed being your president for the past 8 years it was very rewarding experience. I have met and became friends with so many wonderful people that keep this club moving. Your new board, Barry, Keith, Pam & Nancy will continue to move the club forward. I will still be here as the Past President on the board for 1 year. This “old gal” is not ready to call it quits and will see you at club events.

Do not forget it is time to pay your dues for 2025.

Have a Very Merry Christmas and a Happy New Year.

WWTC was established in 1981 as a non-profit Michigan organization. We are also a local chapter of the Vintage Thunderbird Club International (VTCI) as well as a current chapter in International Thunderbird Club (ITC). WWTC is dedicated to the preservation, restoration, and enjoyment of all Thunderbird automobiles. Our members are from all walks of life sharing one common interest: the love of Thunderbirds.

We publish a monthly newsletter full of interesting articles, technical tips, events and want ads for T-Bird enthusiasts. We meet monthly for a variety of social events and encourage participation by driving our Thunderbirds to the event - although you do not have to own a running Thunderbird to be a member.

We welcome ALL years of T-Birds! Why not come join us? For more information, visit us at www.MichiganTbirds.org, or contact Membership Director Marie Brucker (email: m.brucker@comcast.net, phone 810-227-5379). We hope to see you soon!
