WWTC was established in 1981 as a non-profit Michigan organization. We are also a local chapter of the Vintage Thunderbird Club International (VTCL) as well as a current chapter in International Thunderbird Club (ITC). WWTC is dedicated to the preservation, restoration and enjoyment of all Thunderbird automobiles. Our members are from all walks of life sharing one common interest: the love of Thunderbirds.

We publish a monthly newsletter full of interesting articles, technical tips, events and want ads for T-Bird enthusiasts. We meet on a monthly basis for a variety of social events and encourage participation by driving our Thunderbirds to the event - although you do not have to own a running Thunderbird to be a member.

We welcome ALL years of T-Birds! Why not come join us? For more information, visit us at www.MichiganTbirds.org, or contact Membership Director Marie Brucker (email: m.brucker@comcast.net, phone 810-227-5379). We hope to see you soon!
