Presidents Report

November 2020

Once again, a social distancing cruise and dinner was a success. Even though the day started with cool fall weather and rain we had 15 beautiful T-Birds cruising thru Hines Park to enjoy the fall colors and dinner at Stella's Tracksides.

As reported in past Newsletters the November Planning Meeting has been canceled for 2020. We are looking forward to an energetic cruising season for 2021.

In lieu of the Annual Christmas Party we are planning a "Holiday Get Together" for Sunday December 6 at 4:00 at Leon's Family Dining, 23830 Michigan Ave., Dearborn (just east of Telegraph). This will be a social gathering but we will be discussing our 2021 monthly events so please bring suggestions. Wine will not be provided this year. Leon's has agreed to separate checks and you will order from the menu. Please RSVP to JoAnn via phone/text (248) 719-0160 or e-mail joannbill801@comcast.net by Wednesday Dec 2.

We have a new Membership Directory, 2020-2021 that is up to date prior to September 2020. To receive your copy please attend the December 6 event or any future planned event.

Have a wonderful Thanksgiving and hope to see you in December.

WWTC was established in 1981 as a non-profit Michigan organization. We are also a local chapter of the Vintage Thunderbird Club International (VTCL) as well as a current chapter in International Thunderbird Club (ITC). WWTC is dedicated to the preservation, restoration and enjoyment of all Thunderbird automobiles. Our members are from all walks of life sharing one common interest: the love of Thunderbirds.

We publish a monthly newsletter full of interesting articles, technical tips, events and want ads for T-Bird enthusiasts. We meet on a monthly basis for a variety of social events and encourage participation by driving our Thunderbirds to the event - although you do not have to own a running Thunderbird to be a member.

We welcome ALL years of T-Birds! Why not come join us? For more information, visit us at www.MichiganTbirds.org, or contact Membership Director Marie Brucker (email: m.brucker@comcast.net, phone 810-227-5379). We hope to see you soon!

CONGRATULATIONS MAIRE

Sometimes we think we know people and then find out there is a whole different side to them besides love of Thunderbirds.

Congratulations **Marie Brucker** for receiving Lifetime Achievement Award from the Michigan Association for Gifted Children for her 40 years of efforts dating back to the 1980's. She ran testing programs for identifying gifted children, programs for teachers to use and classes to help parents learn more about their children. She was also busy giving 100s of speeches across Michigan to Educators on recognizing and helping meet the needs of gifted children. With this busy schedule she has been our Membership Chairman for many years.
